

Israeli United Appeal.

(WOMEN'S SECTION.)

Yom Tov Markets were held throughout the Peninsula before Rosh Hashona and they all proved outstandingly successful. With the intervening period of the Holy Days, the women's activities have not slackened. Last Sunday was appointed for a **Jewellery Drive**, which took place in all the suburbs and met with quite good response. It was surprising, however, for the collectors to call on a few affluent households that could find nothing to spare for the Appeal. Were their homes in Israel, they would, no doubt, be called upon to share the comfort of their residences with others. Their jewels would not exempt them from national responsibility.

Sea Point: The Yom Tov Market was convened by the Sea Point Branch of the Zion Association under the very able chairmanship of Mrs. M. Epstein. The conveners of the Market were Mesdames Arcus, Braude and Misnun. The Synagogue Hall, hardly adequate for the requirements of the community, was uncomfortably overcrowded, yet business was brisk at the cake stalls, the sweet stall, the needlework stall, the Mizrahi delicatessen stall and the two miscellaneous stalls convened by the Green Point branch of the B.Z.A. The Tombola stall proved to be a great attraction and the tea room was exceedingly popular.

The following were successful competitors: Chocolate Cake, Mrs. Margolius; Box of Chocolates (2 lbs.), Mrs. Simon; Kringle, Mrs. Abelkop; Marzipan Cake (boat), Mrs. Arcus; Tea Shower, Mrs. Shiffman; Basket of Fruit, Mrs. Jaffe; Kitke, Mrs. Sapirstein.

Sea Point Israeli Bazaar will be opened on Monday evening, 15th November, at 8 p.m. by Mr. H. M. Bloch, K.C., at the Temple Hall, Green Point. There will be many and varied stalls and innumerable attractions. Tuesday morning will be the day for shopping for housewives and the afternoon will be devoted to the children, when toys, balloons, dips, sweets and ices will be on sale. A Concert and Mannequin Parade will take place, the conveners of which are Mrs. Gertrude Haas and Miss Eve Horwitz. In the evening there will be an informal flannel dance, at which Bernie and his Band will be in attendance. Among the dancers will, no doubt, be the successful competitor for the maroon Studebaker car. Among the stalls will be a Tombola stall convened by Mrs. J. M. Heneck for the Fresnoye branch of the B.Z.A. Many valuable articles have been collected as prizes.

The Hatikvah Group, under the con-venorship of Mesdames G. Kleinman and H. Sakinofsky, will be sure to do brisk business with their delicious cakes, biscuits and bread. The Avoda

Group, with Mrs. S. Abel and Mrs. E. Press as conveners, will sell tit-bits, hot dogs, meat pies that will be in demand all the time.

Tea for All will be obtainable at Alphen House on 17th October from 10.30 a.m. by all supporters of the Israeli effort. The Sea Point Beach is usually popular on a Sunday morning and it is anticipated that cars from all corners of the Peninsula will be heading for Alphen House on the morning before Succoth when friends will meet for tea.

On 16th October a dance, organised by Mrs. Claud Noll for the Flower Stall, will prove very popular.

On 21st inst. the Green and Sea Point Synagogue Guild is holding a Bring and Buy Sale at the residence of Rabbi and Mrs. A. T. Shrock. The following morning the Fresnoye branch of the B.Z.A. will hold a similar function at the residence of Mrs. Lily Zuckerman, Kloof Road. On 23rd inst. the Avoda Group will hold a Card Drive and Buffet Supper.

The Green Hedges Group will be responsible for the Children's Book Section at the Bazaar and they will be grateful for contributions of such books. Those who have children's books in good condition which they wish to convert into money for Israel, are requested to phone Mrs. Rose Friedlander, 4-1711, or Mrs. Anne Silverman, 4-5004, when arrangements will be made to collect them. On Friday afternoon, 29th inst., Green Hedges will hold a Garden Party at Holmdale, 9, Holmfirth Road, the residence of Mr. and Mrs. S. Morris, when teas and waffles will be served and cakes and flowers sold.

Wonderland Recipe Book, compiled by the Oranjezicht A. Group of the U.J.W., is now on sale and numbers of our women are already testifying to the excellence of the many and varied recipes that are published.

Simchas Torah Ball, organised by the Vredehoek Ladies' Societies, will be a grand affair. It will take place at the Zionist Hall on Saturday, 30th October, at which Bertie Berman and his Band will be in attendance. A special supper is planned, outstanding Cabaret turns and brisk service from the bar. Tickets are marked modestly at £1 1s. double.

The Parow-Bellville Group are holding their annual dance at the Maitland Town Hall on Thursday, 11th November.

Vic Davis and his Orchestra will be in attendance, and the tickets are 25/- double.

This dance has proved itself in the past to be an unqualified success. The Committee make a point of serving an excellent cold supper; there will be a bar for liquid refreshments of every de-

scription and an enjoyable evening is in store for everyone. Tables should be reserved in advance. Please phone 98-524 or 97-475.

Observatory-Mowbray.

A number of successful Bring and Buy Sales were held recently—one at the residence of Mrs. Marks, William Street, Observatory, and another at the residence of Mrs. C. Shapiro, Main Rd., Rosebank. Several others are being organised.

On 24th September a particularly good Rummage Sale took place at Athlone, convened by Mrs. C. Shapiro. The women of the area are busy preparing for their Linen Stall at the Wonderland Fete and beautiful cloths, sheets and towels have already been donated.

Hostesses for the month at Card Parties were Mrs. Lizerbrum, Mrs. Hodes, Mrs. Tockar, Mrs. C. Shapiro and Mrs. Oppenheimer. The U.J.W. Group is also participating in the card effort.

A **Bring and Buy Sale** will be held by the Knitting Group of the Zionist Socialist Party at the Balmoral Hotel, Sea Point, next Friday morning, 22nd inst. There will be a wide range of Yomtov requirements.

The **Children's Mannequin Parade**, a report of which was published last week, was organised by the combined Vredehoek Ladies' Societies.

Children's Corner

of the

ISRAELI UNITED APPEAL
(Women's Section)

Dear Children,

I have just sent out the first batch of Inscribers' Forms, and no doubt the postman will soon drop one of these pretty pink certificates into your box. Look after it, as you must mention the number on it when sending in entries for our Competitions.

We still need many more promises of dressed dolls and embroidery from the girls, and hand-made toys from the boys, for our CHILDREN'S CORNER STALL at the Wonderland Fete. If you have decided what you will do for the Stall, please write and tell me immediately. It is most important for me to know how many young workers we have if our Stall is to be a success.

Rosh Hashona and Yom Kippur are past and now we must put into practice all our good thoughts for the New Year. Our Children's Corner offers you a very good way of helping those children less fortunate than yourselves. If you are already a member, ask your friends to send in 2/6 so that they, too, can have their names inscribed in the CHILDREN'S BOOK of Honour.

Next week we begin a new Serial Story, but, who knows—perhaps you will meet some old friends there?

Every good wish,
AUNT RHODA.
