Trophies Presented At Function of Reading Club Bowls Section

Mr. Joe Harris, Reading Club bowls singles champion, being presented with the B. N. Cohen floating trophy by Mrs. Alf Shavell.

THE first annual ball of the Reading Club bowling section, held at the Stork Club on Wednesday night of last week, was also the occasion for the presentation of trophies to the winners of the 1946-7 tournament events.

The president, Mr. Alf Shavell, welcomed the many visitors and paid special tribute to Messrs. Sam Lazarus and Joe Harris for their efforts

on behalf of the bowling section. The chairman, Mr. Guttenberg, also addressed the gathering.

The trophies and cups were presented by Mrs. Alf Shavell.

During the evening there was an acrobatic dancing display by Miss Janet Simon, and also a dancing exhibition by the South African professional champions, Mr. and Mrs. van Rensburg.

Balfour Park Still In The Run For Promotion

BALFOUR PARK came within an ace of winning promotion honours when they drew (1-1) with Wanderers in the deciding match of the promotion contest played at Benoni last week-end. Until well into the second half Balfour Park enjoyed a one-goal lead, but a lucky goal by Wanderers now makes re-plays necessary between the promotion aspirants.

The game was played at a very fast pace, and throughout the first half Balfour Park held the upper hand. Their goal came when their captain, Sammy Bloom, initiated a movement from the left-half position. The ball went from Bloom to Adler, then to B. Levine, who gave a perfect centre for the centre-forward, Ezra, to slam the ball into the cor-

ner of the net.

About midway in the second half the Wanderers right-wing broke through. His shot should have been saved, but it was deflected into the net past the goalkeeper, Phillips, by one of the Balfour Park full-backs.

Towards the end of the game B. Levine broke through, beating two defenders, but had the disappointment of seeing his shot hit the upright.

Phil Schneier played an outstanding game for Balfour Park.

This week-end will see a play-off between Balfour Park and Benoni, the winners to meet Wanderers the following week. Balfour Park, therefore, still have more than an even chance of gaining senior status this season.

Levy To Meet Fannin Great Swimming by Solly Yach

SID LEVY, the Wanderers and Balfour Park tennis singles champion, distinguished himself in the Southern Transvaal tennis championships at Ellis Park. By beating Staples and N. Cockburn, he has now reached the semi-finals, and this coming week-end will have his first encounter with Fannin, the redoubtable Springbok player.

The match will no doubt be of great interest to Levy's many admirers, for should he win he will probably come up against Eric Sturgess in the finals. Sturgess is due to meet Van der Walt in the other semi-final.

Two other Jewish players managed to reach the fifth round, namely, Julius Levy, who was beaten by Van der Walt, and A. Ravinsky, who lost to Harris.

AN outstanding performance by Solly Yach, who won the men's 200 yards event in 38.2 seconds, was a feature of the Western Province Amateur Swimming contest held in Cape Town on October 24. This was 1.4 seconds slower than his time in the inter-club race last year.

In the boys' 100 yards medley M. Salamon repeated his success of last year by beating B. Fialkov out of first place—but by a much narrower margin. Fialkov, who is only 13, swam "butterfly" in the breaststroke length and appeared to tire in the last half-length of the freestyle. It was an excellent finish by Salamon which carried him home by a touch.

Johannesburg Women's Zionist League

Mrs. A. Franks and Mrs. R. First, the joint conveners of the 1947 Jewish National Fund effort of the Johannesburg Women's Zionist League.

The Jubilee Dinner commemorating 50 years of Zionism, which was to have been held on November 17 at the City Hall, has been postponed and is now being held at the City Hall on November 26.

I was talking the other day to Mrs. Millie Levy, who has written a tableau especially for the Jubilee Year Celebration. She told me that she had permission granted her by the Jewish Theological Seminary of America to use portions of the "External Light" Broadcasts in her tableau. The author of these broadcasts is Morton Wishengrad, whose dynamic play, "To the People of the World", was recently staged by Jeanny Targowsky for the Jewish National Fund.

Mrs. Levy also used many other sources for the compilation of her magnificent tableau and Taubie Kushlick, who is presenting it on November 26 is very thrilled with this work. She has outstanding new concepts of the production of the tableau. She showed the script to members of the Women's Zionist Organisation in London, who were so enthusiastic about it that they asked to be allowed to use it there immediately after the South African presentation.

As can be imagined the women of the Johannesburg Women's Zionist League are working very enthusiastically to try to raise the plate of £35 per couple required for an invitation to the dinner at which the tableau will be presented.

Bertrams Branch: The committee of the Bertrams Branch of the Johannesburg Women's Zionist League held an evening on September 20 at

the residence of Mrs. M. Edelman, "Solsonia Lodge," in aid of the Jewish National Fund and raised the sum of £21 15s. 6d.

Guy Fawkes Dance: A dance will be held at the 400 Night Club under the auspices of the Cyrildene Branch of the Johannesburg Women's Zionist League on November 5.
