Mr. Advocat

The situation of Colonial Advisers to the Governor of the Colony has been a matter of much discussion in the Orphan Chamber, where the matter has been debated and decided by the legislature. The Orphan Chamber has granted the Governor of the Colony an increase of 100,000 dollars per annum for the purpose of maintaining a small school for the children of the Colony.

On Wednesday evening the Governor of the Colony held a meeting with the Orphan Chamber, at which he explained the reasons for the increase in the school fund. He stated that the increase would enable the school to maintain a larger number of pupils and to provide better facilities for their education.

The Governor also stated that the school would be open to all children, regardless of their social status, and that special classes would be provided for the children of the poor.

The decision of the Orphan Chamber was praised by the Governor, who expressed the hope that the increased funds would lead to a better education for the children of the Colony.
