Mr O.Honiball,
West End,
Stellenbosch.

Dear Sir,

We are sorry to trouble you once again, but after seeing the slide, -which certainly showed up to advantage- we realised that it would perhaps be more effective if the words " A UniversityLearning" be omitted.

Apart from this alteration, we should like to remind you of the inclusion of "The 15th of every month" , "die 15de van elke maand", above the space reserved for the headline of the leading article.

Thanking you in anticipation,

Yours faithfully,

BUSINESS MANAGER.
