The Business Manager,
"Pro Libertate"
STELLENBOSCH. C.P.

Dear Sir,

On my return to Cape Town I received your letter of the 22nd ultimo, addressed to the Manager of this Brewery, together with a copy of your paper "Pro Libertate".

I regret that I am unable to consider any further Press advertising until the end of our financial year, March 1933. If by that time you have been successful in combining the paper as an organ for both the Cape Town & Stellenbosch Universities, I shall be glad if you approach me again on the subject.

Yours faithfully,

Advertising Manager.
