Hullo Darling,

Here are Book 7 and my measurements. Book 5 will follow tomorrow, and the document required by Adult Education for paying out our grant will be done during the weekend.

Our office has moved to more central premises, the new telephone is not yet installed, nor do I know the new number. If you wish to ring me, please do so before 8 a.m. or between 6 & 7 p.m. to our neighbour (Capt.v.d.Merwe) at the old number - 46-9738.

Writing you soon, very much in haste right now.

Love

Johanna.
