**THE THEATRE.**

"CINDERELLA" AT HIS MAJESTY'S THEATRE.

To enjoy a pantomime one has to go to the theatre with the mind and soul of a child. Entering His Majesty's theatre in this mood, and witnessing the gorgeous production of Cinderella, a few hours of sheer delight are enjoyed. Perhaps the keenest part of the entertainment is witnessing the joy of the children in the audience, as scene upon scene magnificent splendour is revealed.

The producer, Mr. Philip D. Levard, has outshone all previous efforts in extravagant production, and is to be highly complimented in providing Johannesburg with one of the finest pantomimes seen here in years. The talent throughout is of a high order. It is a compliment to the artists that they can "ascend" from musical comedy to pantomime, and perform their work in a conscientious manner, giving delight to young and old. No children can have so misbehaved themselves to be deprived the right of witnessing the African Theatres production "Cinderella."
