Subject: Helen Suzman special feature

Dear Dr Van Zyl Slabbert

Helen Suzman, one of South Africa's most illustrious icons, is reaching her ninety-first birthday. The SA Jewish Report will be publishing a special feature on her life and career on November 21. We want to include in this feature tributes, messages and anecdotes from people who have worked with her or known her.

The Jewish Report has a national readership of some 50,000, and is also widely read internationally on our website. As someone who has known her or admired her during her illustrious career, this special feature is a perfect opportunity to pay homage to her.

We would greatly appreciate a contribution from you for publication in this special feature. A length of about 600 words would be appropriate, but it is up to you how long you wish make it.

There is some urgency, since she is turning 91 this week and we would like to publish the feature as soon as possible. We would need to receive it by November 12.

Thanks in anticipation.
