Dear Sir

It gives me great pleasure to be able to address this invitation to you. Jaycee South Africa have commenced the search for the Four Outstanding Young South Africans of 1986.

As a national leader with a wide following among young South Africans and a very worthy past winner of the FOYSA Award, we the FOYSA '86 committee and Jaycee South Africa would be highly honoured if you would be the guest speaker at this year's FOYSA Award Banquet on 12 August 1986. The venue will be the Heerengracht Hotel.

As you know, Jaycees is a leadership development and training organisation open to all young South Africans between 18 and 40 years of age irrespective of colour, sex, language or religion.

We expect an audience of approximately 350 people comprising various dignitaries and representatives of business and industry. The bulk of the audience, however, will be members of Jaycees themselves, young business people and professionals, the middle management of today and the leaders of tomorrow. As such we feel very strongly that we are a constituency who deserve to be, who need to be, addressed by you.

We are the people who must hear your analyses of where our country is, where it should be going, how best to get there and the implications for business and industry.

We would be greatly honoured if you could be our guest speaker. The choice of subject depends entirely upon you. We only ask that it try and avoid party political lines.

Could you please let us know by 23 April 1986.

Yours faithfully
