

## "It Goes with a Swing."

Heavy Booking for Opening Night  
on December 7th.

All Cape Town will soon be humming the catchy refrain "It Goes with a Swing" written by Mr. Felix da Cola, especially for the gay revue of that title, organized by Mrs. Morris Alexander for the National Fund.

The spectacular sets are all completed; the beautiful costumes designed for the ballet and the choruses await their wearers; Mr. Rollo Gamble, the well-known producer, has drilled his competent cast to a state which approaches even his high standards of perfection; on Tuesday night, December 7th, the curtain will rise on one of the most ambitious and entertaining productions ever offered to Cape Town audiences by local talent.

Proof that the show has caught the imagination of the public is evinced by the fact that on the first day that booking opened at Polliack's for the first night, the house was practically sold out, and booking was immediately opened for the second night, December 15th, a week earlier than had been anticipated.

A cabaret has been arranged to take place in the Drill Hall after the performance on the night of the 15th, at which several of the artistes will appear. Tables may be reserved on application to Miss Harris, Bnoth Zion Office, 34 Plein Street, Cape Town.

## Re Chronicle Seaside Camp.

The Editor,

"S.A. Jewish Chronicle."

Sir,—I have been instructed by the Committee of the Cape Jewish Orphanage to refer to a statement in the leader of your issue of the 12th inst. urging the holiday needs of your annual, splendid effort on behalf of our poorer children: a statement which has caused my Committee surprise and regret.

Part of this excellent appeal reads: "there are countless destitute widows who have to earn their living and who have no time to attend to their children whose only playground is the street."

My Committee wish me to point out that this Institution exists for the purpose of providing adequately for such destitute orphans and that if such destitute widows will apply for the admission of their children, their applications will receive their usual sympathetic and earnest attention.

If you and your staff will bring such cases to our notice my Committee will be grateful to you.—I am, etc.,

E. H. KLOOT,  
Organising Secretary,
