THE STORY OF MRS. ROBBINS' SUFFERING RINGS WITH THE SINCERITY BORN OF UNTOLD MISERY.

Those of us who think we are "fit enough to get along" often do not realise how thin the thread is between to-day's health and the despairing misery of ill-health tomorrow. Health is the only true wealth and reason for living a full life.

Mrs. Etheldra Robbins, of 31a Albert Street, Palmerston North.

was all but crucified with agony and torment for four and a half years—until she miraculously discovered the secret that put her back on her feet. She writes as follows on 11/3/42, generously allowing her photo to be used, so that others may know of her cure and so be induced to obtain relief from agonising pain and torment which apparently could not be obtained in the ordinary way.

"I was attacked all of a sudden, four and a half years ago, with a terrible pain in the back, left thigh and foot; I became lame, and was suffering agony. Nothing gave me relief and I can never forget what I suffered, groaning with the pain never leaving me night or day. I could only get along under great difficulty with the aid of a stick.

"My leg was very bad indeed, and painful. I was told I would never be any better; I would always be crippled and never work again or walk upstairs and that I needed a hot climate, and it was suggested I should go to Hawke's Bay. I did, still very ill and lame, using a stick. I could not even step off the footpath on to the roadway. I had to wear rubber shoes. I could

not bear any shock, and got a short way in a long time. I then started taking hot salt water baths with no improvement; the lady in charge of the baths (Mrs. Hayward) finally inducing me to go to Mr. Hobson, a well-known chemist of Napier, to get a large packet of R.U.R.

"After taking the fifth dose, I was able to bend my knee. When I had finished the first bottle, I only had a limp. When I had finished the second bottle, I threw away my stick—there was no lameness, also I was able to wear my shoes in place of a large slipper on the foot that had been so bad. You would be surprised the work I have done since, not to mention the stairs I have walked up and down.

"I will never forget the agony I went through before taking R.U.R. and how sensitive I was, thinking I would always be lame and on a stick. I swear by R.U.R. It was my left leg—right from the thigh to the foot—that was so bad. You will see by this photograph that there is nothing wrong with me now. I am only too pleased to let you know what R.U.R. did for me—and only one large packet at that."

This is one of the typical cases where R.U.R. has effected a complete recovery. It is therefore obvious that the average sufferer from many of life's common ailments can put trust in R.U.R.

Neuritis — rheumatism — lumbago — constipation headaches — liver, kidney, bladder and stomach weaknesses — muscular pains — indigestion, lassitude, skin troubles, dropsical feet, rheumatic heart — these are some of the distressing complaints and conditions for which the R.U.R. Company has genuine and unsolicited testimonials on file from grateful users.

Let R.U.R. cleanse your blood and joints, sinews and muscles — let it rid you of pain and ill-health. It is effective in so many cases of ill-health because it contains a laxative, liver stimulant, kidney cleanser, acid corrective and a blood purifier. So take R.U.R. And Right You Are!

Obtainable from all chemists and stores at the following prices: 5/6 small size (for 2½ weeks' treatment) and 10/6 large size (for 5 weeks' treatment), which carries a money-back guarantee. Get a packet of R.U.R. to-day!
