Hedy Haas, the brilliant, vivacious character comedienne, a stage celebrity on the continent, brings to her work originality and artistry. Her versatility enables her to present in rapid succession impressions of widely contrasting natures. Another outstanding artist in this Muizenberg concert on the 12th February is Ralph Koorland, who was a pupil of Joseph Achron, the world-famous composer and teacher. Ralph Koorland is known all over the Union as one of our leading violinists. The public will enjoy his rendering of Achron's most famous violin compositions.

ALHAMBRA.

"Justice is Coming," a Soviet film with English commentary opens at the Alhambra Theatre on Monday. James Agate, the distinguished London critic, writes: "Justice is Coming" is a brilliant production and should be exhibited all over the country. It might act as a counterblast to those consciously or subconsciously pro-Nazi films which invite us to sympathise with an escaping German or show us groups of Nazi officers concentrating not on camps but on Schubert. Three hundred children whose bones breaking through their skin show that they were starved to death; 600 bodies of men and women burnt to death; civilians whose only crime was that they belonged to another race, poisoned by carbon-monoxide. The Kharkov trial of four of the criminals is recorded in the picture. Above the sound of Russian and German speech is the rendering of the proceedings into English.

a romantic comedy-drama of a financially embarrassed gambler and a spirited society girl, and it gives Grant and his leading lady, Laraine Day, exceptional opportunity for their talents. Charles Bickford heads the supporting cast with Alan Carney, Gladys Cooper, Henry Stephenson and Florence Bates also in important roles.

PLAZA.

"Marriage is a Private Affair" is an adaptation of Judith Kelly's prize-winning novel concerning a modern young bride who found it hard to believe that the world did not exactly belong to her and the world would not do exactly as she liked. Lana Turner is the very modern young wife who sees no reason why she should not satisfy what she considers to be respectful curiosity about a world with so many men in it. In short, she rebels against the restrictions of marriage.

ROYAL.

Metro-Goldwyn-Mayer has produced one of the outstanding casts of this or any other season in "Gaslight," the new thriller at the Royal Theatre on Monday. No less than three of the screen's outstanding personalities have been teamed - Charles Boyer, Ingrid Bergman and Joseph Cotten. They are ably aided and abetted by such outstanding character actors as Dame May Whitty, Barbara Everest, Heather Thatcher, Tom Stevenson and Halliwell Hobbes, to name just a few.

ODEON and CURZON.

Betty Grable and Johnny Harvey play the title roles in 20th Century-Fox's technicolour extravaganza, "Pin Up Girl," coming to the Odeon and Curzon Theatres on Monday. Lyrics and music by Mack Gordon and James Monaco, and played by America's popular Charlie Spivak and his orchestra.

These are the SYMPTOMS

-but HERE is the TROUBLE

You may have (1) a Bilious Headache or (2) a Coated Tongue, or (3) Jaundiced Eyes, or (4) Irregular Bowels, or (5) a painful Gall Bladder, but these are only symptoms.

Your real trouble lies (6) in the COLON. If you are constipated, don't take risks. If you have a continual dull pain in the chest, think of your Gall Bladder and take Intestone!

Intestone is a remarkable natural laxative, combining fruit, herbs and blood-purifying alteratives. It relieves constipation, thins the Bile in the engorged Gall Bladder and removes the cause of serious bowel troubles.

"For years I suffered torture through intractable Constipation," writes Mr. P. H. Stiglingh, "but Intestone has given life a different outlook."

Intestone is sold by all chemists.
