NEW REMEDY REMOVES BODY POISONS NATURALLY AND EFFECTIVELY

Good vigorous health is impossible unless your body throws off poisons which cause stomach troubles, rheumatism, liver com-

plaints, indigestion and many other common complaints.

R.U.R., a famous New Zealand remedy, eliminates the root cause of these ills by cleansing and sweetening the whole system. It contains a Laxative, Liver Stimulant, Kidney Cleanser, Blood Purifier and Acid Corrective, all of which help to restore the normal healthy functions of vital organs, which build lasting health, naturally.

Mr. F. Williams, of Burlington Street, Sydenham, writes: "I thought you would be interested to know that I think R.U.R. is easily the best remedy on the market for constipation. I wish I had known sooner, as it would have saved me a lot of suffering." In the pink of health to-day, Mr. Williams gratefully attributes it to R.U.R.

R.U.R. is quite harmless and is not unpleasant to take; it can be used by young or old. If you are feeling "out-of-sorts," give R.U.R. a trial. You can get it at all chemists. The prices are: 5/6 small size (for 2½ weeks' treatment) and 10/6 large size (for 5 weeks' treatment), which carries a money-back guarantee... if, after taking a 5 weeks' course of R.U.R. your health does not improve, your money will be refunded.
