Guest Soloist with Palestine Folk Opera.

Jerusalem.

The first prima donna from abroad to appear as guest soloist with the Palestine Folk Opera, the American lyric soprano, Edis de Philippe, scored a personal triumph in Tel Aviv in "La Traviata."

In devoting a season to Palestine, Miss de Philippe hoped that she was setting an example for other Jewish artists in America, she told the press. When she returns to New York next summer she will endeavour to persuade other singers and musicians to devote two or three months a year for Palestine. "I have sung in twenty countries in North and South America and in Europe, but never in my own country, Eretz Israel," she said. "It was high time I came."

Miss de Philippe sang in Italian, while Paul Gorin and the other performers rendered their parts in Hebrew. Only the second and fourth acts were performed. She is now rehearsing "La Boheme" with the Palestine Folk Opera, which she will sing in Hebrew.

IN AGONY FOR SEVEN MONTHS

ADVICE BRINGS RELIEF IN 2 WEEKS

IN a letter from her home at Tierlaagte, Jansenville, Mrs. Fredericka van der Merwe describes her trying ordeal during seven long months of agony. Suffering such pain that she was not even able to lie comfortably in bed, Mrs. van der Merwe was advised by friends to take R.U.R. She did, and the result was remarkable.

Mrs. F. V. D. MERWE

Within two weeks the agony she had suffered so long had left her—she was completely well again. This is what she writes in gratitude for the relief she received through R.U.R.:

"After suffering for seven months with frightful pains in my shoulders and arms, and at night not knowing where to put my arms because they certainly couldn't be under the blankets, I read Mrs. Robbins' testimonial in the newspaper and immediately bought a packet of R.U.R. I have used it for two weeks, and I can assure you that I am completely relieved of all my pains; I eat and sleep well. Thank you R.U.R."

Writing some months later, Mrs. van der Merwe added: "I still feel completely well since using R.U.R. Now a number of my friends are using it too."

R.U.R. brought Mrs. van der Merwe lasting benefit because it removed the cause of her trouble. R.U.R. works with a five-fold health action—laxative, liver stimulant, kidney cleanser, blood purifier and acid corrective. Take R.U.R. and Right You Are!

Obtainable from all chemists and stores at the following prices:—5s. 6d. small size (for 2½ weeks' treatment) and 10s. 6d. large size (for 5 weeks' treatment).

Beware the signs of

CONSTIPATION

1. BILIOUS HEADACHES
2. COATED TONGUE
3. IRREGULAR MOTIONS

Neglected constipation is bad enough, and may be positively dangerous. It can give rise to many ills in later life, including Piles, Colitis, and Gall Bladder trouble.

But don't give strong purgatives. The bowels are lined with a delicate membrane and must be treated accordingly.

Intestone is a gentle, natural laxative, combining fruit and herbs with blood-purifying alteratives. It clears away waste matter from the body, removes bad breath and headache and purifies the blood. Children and adults like its pleasant flavour.

"I prescribe Intestone for all my patients who are constipated, or who show the effects of constipation in other parts of their bodies," writes Dr. Bester (Report No. 886).

Intestone is sold by all chemists.

"UNBLOCK" YOUR DIGESTIVE TRACT

And Stop Dosing Your Stomach With Raw Purgatives

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda or crude, unbalanced, raw purgatives, if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all, but in the intestinal tract where 80 per cent. of your food is digested. And where it gets blocked when it fails to digest properly.

Thus, what you want for real relief is something to "unblock" your intestinal tract. Something to clean it out thoroughly and help Nature get back on her feet.

Get Carter's Little Liver Pills right now. Take them as directed. Then gently and thoroughly "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it—and you get genuine relief that makes you feel really good again.

Get Carter's Little Liver Pills at any chemist at 1/3. "Unblock" your intestinal tract for real relief from indigestion.
