Georges Themeli

Georges Théméli, the distinguished Greek pianist, will give a concert with the Cape Town Municipal Orchestra at the City Hall on Saturday, 25th May, at 8.15 p.m. He has just become engaged to Nita Sideris, attractive secretary to the Greek Legation in Pretoria; they are to be married shortly. Mrs. L. McIlidowie (General Smuts' daughter) was present at the engagement party in Pretoria.

ALHAMBRA.

The Opera season which opens at the Alhambra Theatre to-morrow night with Verdi's "Rigoletto," will last ten days and enthusiasm is once again evidenced by the very heavy bookings. To-morrow's performance will have the English baritone, Redvers Llewellyn, in the title role, with Albina Bini singing the part of Gilda. The producer is Ossip Runnitsch and the specially augmented orchestra will be conducted by John Connell. The programme for the week includes "La Tosca," "La Traviata," "Cavalleria Rusticana," "Pagliacci," and "Madame Butterfly."

PLAZA.

On the conclusion of the successful showing of "The Last Chance," the next attraction at the Plaza Theatre will be a re-issue of the popular picture "When Ladies Meet," with Joan Crawford, Robert Taylor, Greer Garson and Herbert Marshall in the outstanding cast. This is a delightful modern story of scrambled lovers and deals with a girl who has to choose between two men, one married. Her problem is worked out in a most novel romantic situation. The Broadway play from which the film is adapted ran for more than a year.

"UNBLOCK" YOUR DIGESTIVE TRACT

And Stop Dosing Your Stomach With Soda

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda, if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all, but in the intestinal tract where 80% of your food is digested. And where it gets blocked when it fails to digest properly.

Thus, what you want for real relief is something to "unblock" your intestinal tract. Something to clean it out thoroughly and help Nature get back on her feet.

Get Carter's Pills right now. Take them as directed. Then gently and thoroughly "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it—and you get genuine relief that makes you feel really good again.

Get CARTER'S Pills at any chemist at 1/3. "Unblock" your intestinal tract for real relief from indigestion. 2
