Hitler thinks that Jewish art and life are dead. He knows that Jewish artists are still living, but that their work is not being shown. They are not being allowed to go abroad to the countries where their work can be appreciated. Jews have been driven from their homes in Europe. Hitler has made it impossible for them to earn a living. This is a cruel and unjust treatment of Jews.

The Holy Synod of the Greek Orthodox Church in Russia has also spoken out against antisemitism. The church leaders have said that Jews are not to be discriminated against. They believe that Jews should be allowed to practice their religion freely.

What was the Sabbath meal like? It was a time for family and friends to come together. The meal usually included fish, meat, and vegetables. The bread was unleavened. Many foods were shared, and there was a feeling of togetherness.

A Choir-Master

A choir-master is a music director who leads a choir. The choir-master is responsible for selecting the music, teaching the choir members how to sing, and conducting the choir during performances. Choir-masters are often conductors of symphony orchestras and opera companies.

Goldwynism

Goldwynism is a term used to describe the style and approach of Jewish-American film producer Samuel Goldwyn. He was known for his ability to create films that were visually appealing and had strong storylines. Goldwyn's approach to filmmaking was to focus on creating films that were entertaining and commercially successful.
