Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda, if the true cause of your trouble is constipation.

Thus, what you want for real relief is something to "unblock" your intestinal tract. Something to clean it out thoroughly and help Nature get back on her feet.

Get Carter's Pills right now. Take them as directed. Then gently and thoroughly "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it—and you get genuine relief that makes you feel really good again.

MINISTER****Arrival of Rabbi David Sherman**

Rabbi David Sherman, who recently arrived from America to assume the ministry of the Cape Town Jewish Reform Congregation, was welcomed by leaders of the Reform movement in Johannesburg, at a reception held at the Carlton Hotel, last Sunday afternoon.

Among those present were Mr. M. J. Green, M.P.C., Deputy Mayor; Mr. B. A. Ettlinger, K.C., President of the S.A. Jewish Board of Deputies; Mr. L. E. Joseph, Vice-President of the United Jewish Reform Congregation; Mr. V. H. Brasch, Hon. Secretary of the South African Union for Progressive Judaism; Mr. S. Redhill, Springs and District Jewish Reform Congregation; Mr. K. Stoloff, President of the Springs and District Jewish Reform Congregation; Mrs. G. Trevor, Chairman of the Sisterhood of the United Jewish Reform Congregation, and Mr. B. Stalson, General Secretary of the United Jewish Reform Congregation.

Commenting on the growth of the Reform Movement in South Africa, Rabbi Sherman said he took it as an indication that South African Jewry was prepared for a liberal interpretation of Judaism.

Jews all over the world, he continued, were beginning to ask to what extent the synagogue had been able to fulfil its proper function and purpose in preparing the Jewish youth for intelligent, informed and self-respecting manhood and womanhood. It was through the glory of the ancient synagogue that the Jewish people were able to find in its ministrations a certain sense of satisfaction and peace of mind which meant more to them than anything else in the world.

It was the purpose of the Reform Movement to recapture something of that sense of the joy of Jewish living. That could be done only by making the message of Judaism meaningful to the Jewish youth in terms of their own experiences, by translating the traditions of the Torah, the ideals of the Prophets and the ethics of the Rabbis into terms of present-day realities.
