READY IN DECEMBER . . .

"JEWS WITHOUT MONEY"
By Michael Gold

A powerful picture from the pen of one
America's most brilliant writers, this
of a young Jew in the slums of New York
will echo in the heart of every transplanted
member of the Jewish people as well as of
other reader. With untrimmed speech
author's tallors, gangsters and prostitutes
reflect the despairing effort of the Jew
spirit to survive the degradation of America
can slumdom. A tragic and yet humorous
story, this reprint of a book published
teen years ago, is the tale of ancient
struggling in the underworld of the
modern city.

A classic in its own right, this book has
long out of print and sought after, and
to-day more timely than ever.

Full Cloth, 10/6
