Opening Prayer to ask for God's blessing upon this ceremony: O Creator of Humankind and all Creation, We thank you for the deep bonds of love that you have instilled in human beings, including the strong & abiding love between a man and his wife. Bless this ceremony as a visible expression and confirmation of a love which you have planted years ago in the hearts of Malcolm and Emmanuelle towards <sup>one another</sup> ~~each other~~.  
Amen.

Scripture: 1 Corinthians 13 vs 1-10

Message: This is a <sup>very</sup> special occasion, not only because of the official wedding of Malcolm & Emmanuelle but also because they have already, in mutual agreement, lived

together for years as husband and wife and <sup>(2)</sup>  
they eventually felt very strongly that they  
wished to publicly and officially express  
their commitment to one another under  
the blessing of God. It is not ~~off~~ often  
that this happens - and we are happy  
to participate in this process: Rev. Kevin Light,  
Alexis and Olivia, Host Kreuschmidt  
and Martin Hamidi

- 1) The institution of marriage going through  
a severe crisis everywhere in the world:  
high percentage of divorces, the unfaith-  
fulness of many spouses to one another,  
the confusion & psych. tension, which  
many children experience who were born  
out of such unions
- 2) The essence, the heart of marriage:
  - public promise? No!
  - legal documents by state or church? No!
