

O God, our Creator,

We come to you <sup>to-day</sup> as adherents to different faiths. We address you by different names but we also know that our approach, in the deepest sense of the word, is based on our conviction that <sup>in SA</sup> religion <sup>has played</sup> a crucial role ~~in playing~~ during the last years in promoting the cause of justice, peace, ~~and~~ human rights and human development.

We bow before you in humility and sincerity ~~to~~ with our united plea:

- 1) Bless our State President and continue to provide him with wisdom, strength and courage to lead our country
- 2) Give wisdom and insight to all members <sup>of Parliament</sup> of all political parties - especially those who profess a faith which strengthens them in a service of love and commitment.

3) Use the spiritual and moral power which could ~~emanate~~ <sup>flow</sup> from our respective faiths as Christians, the Jewish, Muslim, Hindu or any other faith to make our witness meaningful.

Let us in a moment of silent prayer offer our plea in the name of

- Christ as Christians
- Jahweh as
- Allah as
-
