The Librarian,
S.A. Public Library,
CAPE TOWN.

Sir,

Your notices to the effect that you have not yet received the following issues of PRO LIBERTATE, Nos 1 and 8 to hand.

We wish to inform you that in view of the fact that no issue appeared for April 1933, we are unable to send you one. Number 8 will most probably appear in May. We shall be pleased to let you have a copy of this issue as soon as it appears.

In regard to No 1, we must respectfully reiterate that we have not a single copy in our possession; that the entire issue was sold out within a few days of publication.

Regretting our inability to accede to your request, and trusting that you will understand our position,

We are,

Yours faithfully,

BUSINESS MANAGER.
