Dear Sir,

We thank you for your letter dated the 9th instant.

We shall be pleased to take a space, 4" double column, in the next eight issues of your Magazine. We note that there are eight issues per year.

We are enclosing the matter for two different advertisements, and should like these to be shown in rotation. We wish these to be in Afrikaans, and note your kind offer to translate free of charge.

The blocks for the illustrations have been posted under separate cover.

Yours very truly,
