Message:

Dear Rich,

Many thanks for your fax regarding Don Williams, I would advise that I will be speaking with Don tomorrow Friday at 4p my time to discuss the offers for South Africa with him and to come to a decision about the tour.

I would also advise that the promotor in Zimbabwe has made it clear that if we are to undertake any concerts in S.A. then if it not be him who is to promote the dates, then he wants some contribution to the airfares (another little problem to be dealt with), therefore if you are to change your offer please let me have it if possible before tomorrow 4p my time.

Sorry to put the pressure on, but I think everything has dragged on long enough and we need to decide in order to allow time for tickets to be sold.

I look forward to hearing from you.

If you need to reach me I will be in my office tonight between 11.30a and 1p your time.

Regards
Robert Pratt
