Mike Smith

Dear Mike

re: Cassettes of the Richie Havens/Mike Smith concert at the ICC

I have copied your show on 1 side of a cassette and included only parts of Richie Havens on the tape. As I do with all recordings I make, I never make copies for anyone unless the artist tells me, in writing, that I can do this.

I understand and trust the Barleycorn Folk Club but I do have this undertaking with every artist and would like to honour that.

I will ask Richie if he doesn't mind me making you a copy but I know that his management would object.

So, please keep the few tunes I've included on your tape to yourself.

Enclosed please find invoice for the 5 tapes.

Best regards

Cloombes
