

# Spiral productions to audition actors

AUDITIONS will be held this week for three female and two male actors for several productions to be staged by Spiral Productions at the Blah Blah Café in Hermitage Lane, Durban.

The first two productions are dramatised Herman Charles Bosman stories, and the third is an experimental play entitled *Nous En Moi or Carefully Measured*. The latter is an existential look at the concept of change, employing the conceptual genre of French Symbolist theatre.

Those interested should telephone André Swart on 284 750 or 304 2010. Performers who want to use the Blah Blah can also telephone 284 750.
