FAX NOTE TO CLIVE MORRIS - FRONT ROW - MNET - JOHANNESBURG

FROM DAVID MARKS in DURBAN re: RICHIE HAVENS in SOUTH AFRICA

Dear Clive,

RICHIE HAVENS is one artist in a proposed 'series' of local & international 'legends' that we plan to tour in Theatres around the country- if not overtly commercial, all are extremely popular & we would like to let people know when they come into the country. JONATHAN BUTLER will follow RICHIE in Durban, PE & Cape Town Theatres.

There are no so few TV entertainment outlets - a mention on Mnet could help get the project started. Although we have no sponsors, there is a lot of interest in the project.

The idea is a reciprocal one between the USA & South Africa & it is important not only for us who were unable to see these great & popular 'acoustic' Musicians over the past 30 years, but also for the development of our own 'Contemporary Music' performance & appreciation. Similar perhaps to what is happening with development in sport - the 'masters' are invited out to entertain & share their experiences - they love to learn too.

Each of the artists we are speaking to is a dynamic entertainer - artists that young & old of all cultures will appreciate - James Taylor, Taj Mahal, Don McClean, Rodriguez, Len Cohen, Donovan etc. etc.

Please see the enclosed International Theatre Series Information, dates, times etc.

Regards,

DAVID MARKS
