enc.: FAX TO BARRY MOREL / ANNE WILLIAMS / LYNNE / SAM

Dear Barry, Anne, Lynne, Sam,

Thank you for a wonderful trip. Hard to believe it's over.....hope the feeling's mutual, given the chaos and indecision's.....? All part of the Musical Tightrope, Busker's & Magic Act.

With the reaction we've been getting from our little stint in Woodstock to the CD in general I would say that what you guys have done could be the beginnings of a great documentary - even if it means that we eventually cut/edit it in a very different way. If need be I believe that 3eM could help raise funds to make that happen & in so doing hopefully help the CFBNDF and the Hidden Years Company recoup their investments. It may need a long-term vision from all concerned.....but it'll happen!

Thank you once again for being so impatient and understanding...next time we go out I will make certain that we have a better handle on the Tour & Road Management - Promise!

Best regards,

DAVID MARKS
