Dear David Marks (3rd Ear Music and Concerts)

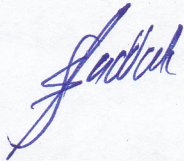

RE: 4-TRACK DEMO SUBMISSION

My name is Sam Paddock. I am 22 years old and currently completing my honours in a Bachelor of Business Science degree at the University of Cape Town.

I am a singer/songwriter and I have a real passion for music. I have enclosed a CD with four songs I have written. I have also enclosed a picture of myself and a brief biography.

Please listen to the songs. If you like them – GREAT (my contact details are at the bottom of this letter, and I have plenty more songs to offer and a serious amount of energy), if you don't like them – thanks for listening ☺

Warm regards

Sam Paddock
