Attention Dave Marks

Dear Dave,

I met you many years ago in another incarnation, in the early days of the Market Theatre and we spoke at length when I was writing a history of the Market Theatre under my maiden name, Pat Schwartz.

For the past seven years I have been on the other side of the publisher's table and I was intrigued to read that you are writing a history of South African music.

Do you have a publisher?

Would you be interested in sending Wits University Press a proposal? I would be fascinated to see what it is you have in mind.

With best wishes.

Yours sincerely,

Pat Tucker
