Dear Rael

It really was nice seeing you on Friday and I am very enthusiastic with the David Marks project which I think could be great for all of us. I am faxing herewith a copy of the order and look forward to listening to the demo at the earliest opportunity so that we can make a decision going forward.

Kind regards,

IRVING

IRVING SCHLOSBERG

P.S. I have handed your request for sponsorship for the Grahamstown Festival to our Marketing Division and would appreciate it if you would talk to Naomi le Roux on this.
