

**Lectures and services provided by the
South African Jewish Music Centre**

1. Concerts

Performances of Jewish music of all types, in concert halls/synagogues/other venues, to bring Jewish music into the mainstream.

2. Workshops/lectures

Teaching of all aspects of Jewish music from pre school to University level.

3. Resources

Providing information and resources to serve the needs of teachers, students, scholars, performers, choir masters, conductors, film makers for cinema and TV, radio producers, the media and the general public, both Jewish and non-Jewish.

4. Preserving the Jewish music heritage

Collecting and collating sheet music, recordings, CD's, books of Jewish music and acting as a repository for donations of Jewish music from members of the public: housing resources of a historical nature donated from personal collections.

5. Consultancy service

Providing a consultancy service on all aspects of Jewish music, secular and liturgical.
