JUNE 1992

Sally Sher asked me to look at a little Yiddish booklet which had belonged to her late father.

- ① TITLE misleading. Speaks of 3 new songs WITH melodies, but NO MELODIES are printed.
- ② Her father REV. BEREL WULF born PONEVEZ The bk. publ. VIENNA ^{1908?}
- ③ During his lifetime he gave away many of his books to the GITLIN library (books secular + Judaica) ALSO sent books to ABNER WEISS Durban.
- ④ Grand daughter CARRON about 18 months ago found this particular booklet.

⑤ I RETURNED
