From the FOUR WINDS FOLK CLUB, down in Port Elizabeth the SAFIMA recording (May 11 & 12) of their 1973 annual Folk Festival is due for release on the BOOTLEG label.

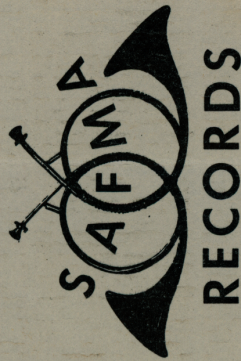

Very limited copies only, so order NOW!!

On the (so called) commercial front, and slightly removed from the ethnic collectors back stoep foot tappers, we'd like to secretly inform you all about:

PAUL CLINGMAN's album 'MORNING ON THE LINE' released

thru' Record and Tape Company.

BRIAN FINCH's 'Bringing Back The Good Times' is due for release thru' Teal.

A very limited amount of SAFIMA's many tape recordings have been issued on long play records. These recordings, when issued, are sold only to cover the material costs of pressing the record and printing the sleeve. SAFIMA recordings are recommended mainly for SA music 'movement' enthusiasts and collectors. Most everybody is welcome!

The 2nd FREE PEOPLE'S Concert staged by the SAFINA, and the first to be recorded (by David Marks), on the Wits Library lawn, Sunday March the 12th 1972. Besides the other 5, or 6 thousand people there appeared in order: Paul Clingman, Mel Miller, Edi Nederlander, the Dunbar Street Folk Group, Kevin Hinds, the South Country Band, the Casalama Brothers, Des and Dawn Lindberg, Brian Bebbington, Ahmed Mkhuthar, Malombo and Mike Dickman. Cover hand written by Brian Bebbington, this beaut sells for as little as R4,50 (one) that's because the company concerned printed on extra 500 sleeves.
