DURBAN ARTS ASSOCIATION

Every city has a major Landmark - Durban has the KEY NOTES!  
They've been around for so long that it may be unfair to say how many years that's been.....in music circles the KEY NOTES are synonomous with Durban and Jazz - and they will be assisting Durban Arts with their 11th October LIFE IN THE PARK day at CENTRAL PARK. (The NEW GAMES begin at 9,00am, the music starts at 2,00pm with: LADYSMITH WHITE MAMBAZO, NONGOMA YOUNGSTERS, VUSI SHANGE, ZANUSI and at approx 4,00pm, THE KEY NOTES)

The KEY NOTES play their own brand of good-time JAZZ, in a unique 'indigenous' way - laid-back favourites and traditional standards. The KEY NOTES are:

THEO BOPHELA - Piano  
JERRY KUNENE - Alto Sax  
DALTON KHANYILE - Tenor Sax  
JAMES MBAMBO - Guitar  
CLARENCE KHUMALO - Drums  
AGRIPA MAGWAZA - Bass
