THE PRODUCER

Barney Simon works in advertising is editor of a literary magazine "Classic" and writes short stories. He is the founder of Phoenix Players for whom he has directed "The Maids" and also "Hullo and Goodbye" with Athol Fugard.

S.A.F.M.A.

The South African Folk Music Association is being constituted to further the interests of folk music in South Africa. The net proceeds of this concert season will be devoted to establishing a grant for research into South African Folk Music. The Association is deeply indebted to their sponsors the Brewers of LION beers, who have come to their aid and made this National Folksong Festival of 1966 a reality.

NATIONAL FOLKSONG FESTIVAL
