About Art Works Trust

Art Works Trust helps children and young adults recover from violence and poverty and develop skills for self employment. It believes:

- Creative expression can help **heal trauma and neglect** and develop self-esteem
 - Discovering you can **use *anything* for art**, builds confidence & resourcefulness
 - Resourcefulness, confidence, creativity and skills combine in **Imaginative Income-generating projects**
 - Young people's art effectively **challenges negative perceptions** of our society
 - For our society to be healthy we need to **care actively for the environment, foster peace, create jobs and keep hope alive.**
- **Art Works runs three programmes:**
- - **OPERATION TURNAROUND** involves creative recycling and healing art programmes for children and teachers
 - **SCRAP** –Self-help Creative Recycling Achievement Project develops creative ways of generating income from waste
 - **PEACE OASIS** works to build a will for peace and a climate where it can grow.
