10 Commandments For Voters

PROJECT Vote

1 You have nothing to fear. Remember that your vote is secret. Only you and God know how you vote.

2 Watch out for wolves in sheep's clothing. Do not vote for a party without knowing its aims and policies.

3 People who promise things that they never give are like clouds and wind that bring no rain: do not be misled by promises.

4 Your vote is your power: use it to make a difference to your life and your country.

5 Do not vote for a party which offers money or food in exchange for your vote. One who tries this is corrupt.

6 Do not be afraid of the future. Vote and put your faith into action.

7 Blessed are those who hunger and thirst for righteousness. Vote so that justice can flow like a river, and peace like a mighty flood.

8 We have been made for freedom. Use your vote to ensure that we do not become slaves again.

9 We are one nation made up of many parties, as our bodies are made up of different parts. Respect and defend the rights for others to vote for the party of their choice without fear or intimidation.

10 Your responsibility does not end on the day of the election. Do not expect personal favours from those elected, but watch out for their actions and demand that they fulfill their promises.
