

“For the sake of all that Muslims honour and cherish, join us in voting for the ANC on 27 April.”

“For three centuries, we Muslims have suffered under the oppression of racism and religious intolerance.

Since the National Party came to power, our people have been thrown out of their homes, jailed and exiled. Some have died in the struggle for human rights.

As Muslims, we must stand together to prevent a Kriel-led National Party victory in this region. Such an outcome would be a desecration of all we believe in, all we have struggled for.

We cannot afford to waste our precious vote. We need real change in our lives – as Muslims and as South Africans.

Only the ANC has the commitment, the broad support and the investor confidence to build a better life for all in the Western Cape. Only an ANC government can guarantee that our religion, our family law and our traditions are respected and honoured.

We call on all who honour and cherish Islam in South Africa to vote for the ANC on 27 April.”*
