

NELSON MANDELA'S PLEDGE TO THE WESTERN CAPE WASN'T JUST IN BLACK AND WHITE.

“The Coloured community will enjoy a better life together with all the oppressed people of this country.”

Nelson Mandela, Retreat, 13 February 1994.

The ANC is committed to the development of the Western Cape. To creating a better life for all. For the coloured people, the Indian people, the African people and the white people. Every South African.

On February 13th, Nelson Mandela specifically thanked the Coloured community of the Western Cape

for firmly standing for justice, peace and equality through the years. And for still being part of shaping a brighter future.

Now is the time to vote for what you've always believed in.

A better life for all.

Working together for jobs, peace and freedom.
