

Franklin Sonn, Rector of the Peninsula Technikon.

“On March 26th, I called on all decent, God-fearing and principled people to join me in saving the Western Cape from the disaster of a Kriel-led National Party government in this region.

The response has been overwhelming.

Amongst those who have come out in support of my call for a Boesak-led ANC government in the Western Cape are 23 principals from Peninsula schools.*

All have committed themselves to voting for the ANC on April 27th.

I call on others to join us at this critical time.”
