

**THIS IS WHAT THE LEFT CALL THEM.  
THIS IS HOW THE NATS TREAT THEM.  
NO WONDER THERE'S NO RESPECT FOR LAW & ORDER.**

To some, being called a pig is the greatest insult - but then, the way the Nats treated the police over the years is highly insulting. They made the police enforce immoral apartheid laws, making them the enemies of millions of people.

They turned a blind eye to the "Third Force" hit squads, so the entire force has been tainted.

They made them work under inhuman conditions - low salaries, excessive overtime and chronic understaffing. (And the Left treated them just as badly. For example, Peter Mokaba of the ANC called

on the people to "aim their guns at the police, not their brothers").

This is why the tens of thousands of decent men and women who make up most of the force are demoralised.

This is why you need the Democratic Party.

We'll fight to increase the number of police, to improve their working conditions, and to stop them being used as political tools. Because we know a respected police force means better policing, and a safer environment for all.

So vote for the Democrats and we'll help the police do what they're supposed to do. Fight crime.
