

THE ANC DEMANDS PROTECTION FOR THEIR LEADERS. BUT NOT FOR THE REST OF US.

BEFORE KATLEHONG SHOOTING

[ANC candidate] "Mr Mokaba told the 8000-strong crowd ... to drive the South African Police and Defence Force out of the townships."

(The Citizen 13.08.93)

AFTER KATLEHONG SHOOTING

"Where were the police? They should have known about the mission and they should have provided protection."

*Mr Ronnie Mamoepa, ANC spokesman.
(The Citizen 10.1.94)*

**The people deserve as much protection
as political leaders.**

A better South Africa for all South Africans.
