“For years, we’ve had mass meetings in the Cape. Let’s keep it peaceful. Let’s keep it NP country.”

“For many years, I’ve been one of the crowd at Newlands, cheering, sharing in the excitement and atmosphere created by the people of the Cape. A crowd with a passion for the game, a passion for life - and a passion for peace in this beautiful part of our God-given country.

As leader of the National Party, I can tell you that my party is committed to better the quality of life here. To create the jobs and make possible all the houses, schools and hospitals that are needed.”

future. Under the leadership of President De Klerk, our country has not only re-entered world sport, but seen changes in many other fields.

“Today we have the strength, the experience and the determination to live up to our promises. And a dedication to peace and a secure future.”

We know what the future can be like. But we can only keep what we have and further improve life in our region if we all take hands and stand together. To ensure peace and prosperity for our children.

Don’t just hope for a better life in the Cape of Good Hope. Vote for one.

Be sure of a better life.
