

1848, which only authorizes the introduction of Kafir youths, and that the practice of sending whole families into the colony for the service (the adults of each family being indentured before the departure) shall be discontinued. A measure of this kind would tend to diminish the number of Kaffirs, and would tend to secure the colony an ample supply of good and cheap labour.

the neglect of the parties, and to cause 'new standing open, which, though well founded, were not forwarded to the board in due time.
