Keating's Cough Lozenges.

A CERTAIN REMEDY for disorders of the Pulmonary Organs—in Difficulty of Breathing—in Redundancy of Phlegm—in Incontinent Consumption (of which Cough is the most positive indication) they are of unerring efficacy. In Asthma, and in Winter Cough, they have never been known to fail.

KEATING'S COUGH LOZENGES are free from every deleterious ingredient; they may, therefore, be taken at all times, by the most delicate female and by the youngest child; while the PLEURO-PNEUMONIA and the PROFESSIONAL SINGER will find them invaluable in allaying the hoarseness and irritation incidental to vocal exertion, and consequently a powerful auxiliary in the production of MELODIOUS MUSICAL NOTES.

Prepared and sold in Tins, of various sizes, by THOMAS KEATING, Chemist, &c., No. 79, St. Paul's Church Yard London.

Sold Retail by all Druggists, &c., in the World. N.B.—To prevent spurious imitations, please to observe that the words "KEATING'S COUGH LOZENGES" are engraved on the GOVERNMENT STAMP of each box.

IMPORTANT TESTIMONIAL. Copy of a Letter from "COLONEL HAWKER, (the well known Author of "GUNS AND SHOOTING") Longparish House, near Whitechurch, Hants, October 21st, 1846.

Sir,—I cannot resist informing you of the extraordinary effect I have experienced by taking only a few of your LOZENGES. I had a cough for several weeks that defied all that had been prescribed for me; and yet I got completely rid of it by taking about half a small box of your Lozenges which I find are the only ones that relieve my cough without deranging the stomach or digestive organs.

I am, Sir, Your humble Servant, P. HAWKER. To Mr. KEATING, 79, St. Paul's Church Yard.
