PROPOSAL ON WAY FORWARD : LOCAL GOVERNMENT

1. Proposals implemented should be consistent with requirements of the Local Government Transitional Act (LGTA), 1993.
2. Keep in mind the agreement consistent with the provision of the Act, at the SDF, to accept a total of 22 ~~sitting~~ Councillors for the area "Town", Cloetesville, Idas Valley and Kaya Mandi.
3. It means 11 Councillors (Statutory) and 11 Councillors (Non-statutory).
4. That is consistent with the 50/50 principle as embodied by the Transitional Local Council model. (This is non-negotiable).
5. The satellite towns will get 2 Councillors each, bearing in mind that Pniel and Johannesdal viewed as one area, i.e. Jamestown (2), Kylemore (2), Pniel/Johannesdal (2) = 6 (22 + 6 = 28).
6. If the Demarcation Board rules in favour of Klappmuts' inclusion to the Stellenbosch Forum area, they get 2 Councillors (22 + 8 = 30).
7. Councillors' allowances will have to be reduced in order to attain cost-effectiveness.

We break it up as follows:

	Area	"Stat"	"Non-stat"	Total
A.	Cloetesville, Idasvalley, Kaya Mandi and Town	11	11	22
B.	Satellite towns:			
	Jamestown	1	1	2
	Kylemore	1	1	2
	Pniel/Johannesdal	1	1	2
	Klappmuts	1	1	2
	TOTAL	15	15	30

8. The full members can submit a tentative list of candidates (in order of priority) to the Secretary of the Technical Committee.
9. This list, however, should be endorsed by the Executive and General meetings of members.

10. A detailed break-up of number of stat or non-stat representatives are presumptions because finality has not yet been reached by the Provincial Committee on the five aspirant "non-stat" members.
11. The Facilitators should be satisfied that all nominations followed the required procedure. *X*
for organization
12. The Technical Committee (who members now view as representative) should try to compile a short list of candidates.
13. It should be referred to the CWC for further debate and motivation and then to the SNF for discussion and acceptance.
14. It then should be sent to the Provincial Committee for publication.

These proposals are supported by Stellenbosch Civic and Jamestown Civic.

Willie Nel
GENERAL SECRETARY.
