Mainly caused by the indiscipline perpetrated by some members of the organization with special reference to Mr. V.U. Myataza.

The Chairman, Mr. D. Qusheka then called upon the Branch <sup>Vice</sup> Chairperson Mr. ~~S. Moghali~~ <sup>Tolobisa</sup> to add whatever he felt was left out of the report. Mr. Moghali's addition was in substance similar to Mr. Tolobise because it was an enumeration of the problems of the Branch. The report was then opened to the floor for discussion. After a short question and answer period the meeting proceeded to the Secretary's report.

## THE SECRETARY'S REPORT.

Mr. V.U. Myataza gave a short written report though para-phrased. His report also dwelt on the organizational problems experienced by the Branch. He enumerated on a number of disruptive activities which stunted the PAC's growth in the area. He alleged that these were mainly caused by the uncommitted spirit of the Chairperson. The report was also subjected to the same procedure as

that of the Chairperson. The meeting then proceeded to the Treasurer's Report.

## THE TREASURER'S REPORT

Mr. V.V. Myataza gave a message of apology on behalf of the Treasurer, who could not attend the meeting because of other commitments. In the Treasurer's note the meeting was told by the Treasurer, through Mr. Myataza that the Branch had zero funds because most members did not pay their annual subscription fees. After the Treasurer's report the Chairperson, Mr. D. Qushake asked the meeting to adopt or reject the reports as they were given. This, according to the Chairman, was necessary because almost all the reports were given verbally, which did not argue very well with set Constitutional Standards. After a few comments from the floor, the meeting agreed by consensus that the reports should be adopted as heard with the exception of the Treasurer's note. This was referred to the Executive to be elected, for further investigation and clarification from the Treasurer himself. With these proceedings completed
