In the Assigned Estate of G. W. DUTTON Esq.

# POSTPONED UNTIL Saturday, the 12th April, 1856,

## DUTTON'S COVE,

Situate on the Sea Coast, and within an hour's ride of George Town.

This well-known and eligible situated Property will be sold in TWO LOTS, as follows, viz:—  
LOT No. 1.—Comprising the COVE with a STORE and other Buildings erected thereon for the purpose of receiving Goods and Merchandise landed at the Cove, and includes the site of a proposed village, the whole measuring 420 morgen and 332 square rods. Much has been done by Mr. DUTTON, a considerable outlay, towards making this Cove safe, and affording facilities for Landing and Shipping Merchandise, now only requiring a small outlay to complete the same.

LOT No. 2.—The remainder of the Farm, being well adapted for Grazing and Agricultural purposes, or as a Commonage for the Village, and on which is a Neat Cottage with Out-buildings, as also an Iron fence Kraal, capable of containing 500 head of Horned Cattle. This Lot measures 955 morgen and 2 1/2 square rods.

The whole extent is about 2769 Acres, on all of which is Valuable Forest Wood. The Lots will be sold first separately, and afterwards the whole together in one Lot.

George Town, for many years a place of considerable Trade, will now be much increased by the opening of "Meiring's Pass," by which the Inland Trade of the wealthy Pastoral Districts of Beaufort, Graaff Riet, Richmond, &c. &c. will flow through George Town, and necessarily via "Dutton's Cove," as being the nearest Port for Shipping,—thus affording the fortunate Purchaser of this valuable Property a certainty of a first-rate Speculation and safe Investment of Capital.

N.B.—A description of State, erroneously supposed by many to be Coal, found in abundance on this Property, some of which was sent to Dr. JACKSON, Geologist and Assayer to the United States Government, has thus been reported upon:—"This kind of Slate is found in large quantities in this country, and in most cases where it exists, Gold has been discovered near."  
A General Plan may be seen at the Commercial Exchange, and all particulars may be ascertained of the first Undersigned.
