**IMPORTANT TO**  
**AGRICULTURISTS,**  
 Winegrowers, Floriculturists  
 AND  
**GARDENERS.**  
**Powder to improve Vegetation.**

THIS POWDER is a new tried means to promote  
 vegetable growth and health. It comprises all the  
 elements to fertilize the soil; is superior to Bone  
 Manure, and ten times as powerful as Guano. Spread  
 over arable lands, vegetable and flower beds, and  
 afterwards worked into the soil by plough or spade. Its  
 power is soon perceptible in the speedy germination of  
 the seed, and the rapid growth and development of the  
 plants. Dug into the Vineyard, no Sulphur can be more  
 efficacious in counteracting the prevalent disease, or  
 capable of producing more healthy foliage and sound  
 grapes. In places where the Powdery Mildew is so  
 it is removed by the application of this Powder as a  
 measure; in places where the disease has not yet shown  
 itself, it is rendered impossible by the use of this Pow-  
 der. Trees which require manure, Flowers, Plants, and  
 all earth fruit, whether in Garden or Hot-house, the  
 growth and health of all these are equally promoted  
 and preserved by the application of this Powder.  
 It is destructive to snails and other annoyances of the  
 Garden.  
 In the potting of Plants, half a tea spoonful of the  
 Powder must be laid at the root of each plant.  
 Being prepared in this colony, purchasers have a  
 guarantee against adulteration and fraud. Nor is the  
 intervention of agents required. The Powder will be  
 found to be less expensive than any other description of  
 manure, owing to its being so much more efficacious.  
 Testimonials may be dispensed with. What is desired  
 is that every individual should convince himself and act  
 upon that conviction. For Winegrowers who will  
 shortly have to commence sulphuring, it is the best time  
 to give this Powder a trial and mark the result. The  
 proper time, however, is the digging season.  
 To supply every body, this Powder may be had in  
 1 lb. Tins—Price, 1s. 3d. and 2s. 6d.  
 To be had at the German Dispensary of  
 JULIUS WOCKE,  
 (late THURNE),  
 No. 96 Loopstreet, Cape Town.  
 N.B.—None are genuine unless signed and stamped.

 Sir,—I have the honour to inform you that there is  
 not a box of Keating's Cough Lozenges to be got in  
 this island. A supply of the same, shipped in my order,  
 would be a great benefit conferred on the public.  
 Their efficacy has been proved already by many per-  
 sons who have been relieved from severe Coughs and  
 Colic, and they are considered also a good tonic.  
 I wish you will, on receiving my letter, forward a sup-  
 ply by the mail packet.  
 I am, Sir, yours truly,
