Mr. Albert Coates,

Graaff Avenue,

Cape.

Dear Sir/Madam,

I shall be extremely grateful if, as soon as possible, you will let me have a photograph of yourself and any publicity matter which we may be able to use for our brochures, programmes, and press releases.

It is essential that I have as much publicity matter concerning you as you can possibly let me have as there are a good number of different channels which I must feed with news concerning the Festival.

All reproductions of your photographs will be made at our cost, and originals will be returned to you after we have used them.

Thanking you for your anticipated kind co-operation,

I remain,

Yours faithfully,

ERNEST FLEISCHMANN.  
MUSIC ORGANISER.
